Appointments

All appointments will be conducted via the phone due to the current COVID-19 pandemic. Payment is required before the start of your appointment; you will receive a phone call from our office at the start of your appointment. If you do need to cancel or change the appointment, please call us directly at 401-348-2800 and leave a voicemail. No changes will be finalized unless confirmed verbally by our staff. Cancellations made within 24 business hours will result in a late-cancellation fee.

Appointments scheduled on a Monday need to be cancelled by the previous Thursday at 2pm.

GeneSight orders are now able to be conducted remotely as well!

Information about Telemedicine

Telemedicine – Due to the nature of electronic communication technologies, I cannot guarantee that our communications and your information will be kept confidential from outside individuals. Our office will do our best to protect all information. If you decide telemedicine is not optimal for you, please inform your provider and referrals will be provided. The telemedicine sessions will not be recorded. Progress notes will be documented via an EMR.
